

EVERY BLUE

Song Lyrics by TT 2020

*The sunshine tomorrow
keeps me warm
That I'll shine tomorrow
gets me through the storm*

*I'm every blue
I'm not deranged
I miss you too
Some things never change
Cause I remember the light*

*The sunshine of tomorrow
keeps me warm
That I'll shine tomorrow
gets me through the storm*

*And when my paint spills over you
don't be estranged
Remember the lights*

I'm every blue

**I WOULD MISS TOMORROW
THE EARLY SKIES
THE DAY THAT BREAKS A WAVE, THROUGH ME**

*The sunshine tomorrow
keeps me warm
That I'll shine tomorrow
gets me through the storm*

*The sunshine tomorrow
keeps me warm
That we'll shine tomorrow
drives me through the storm*
